The slightly lower operational results in the quarter under review was mainly due to an unfavourable foreign exchange movement of RM11 million.

**13. Prospects**

The Malaysian Government announced provisional safeguard duties of 13.9% and 13.4% for steel wire rod and rebar respectively effective from 26 September 2016. However, local market remains competitive as it will take a few months before the existing market inventory of cheap imports can be exhausted.
